Job purpose

Chinatown Service Center (CSC) is a multi-service, community health center, which provides compassionate, multi-lingual, and culturally sensitive care to Chinatown, San Gabriel Valley, and beyond. Our mission is to provide outstanding services and advocacy that promote a better quality of life and equal opportunity for immigrants and other communities.

Under the Chief Medical Officer’s supervision, the NP is responsible for providing high-quality patient care by utilizing his/her medical knowledge and patient care skills. Under the California Nurse Practice Act, the NP would perform primary health, pediatric and family planning services to patients. He/She is also responsible for conducting medical records audits and attending Continuous Quality Improvement (CQI) Committee meetings.
