Position: BHD Resiliency Center Therapist

Open Date: July, 2023

Closing Date: Until filled

Pay Range: \$68,000.00 to \$88,000.00 per year

Job Purpose:

The Resilience Center (RC) Therapist is a full-time position responsible for providing group therapy to serve the community affected from the Monterey Park tragedy which occurred on Lunar New Year Eve of 2023. Responsibilities include but are not limited to: clinical assessment, treatment planning, collateral, crisis intervention, and advocacy services to families, children, and other clients in accordance with their specific therapeutic needs at the RC.

Job Responsibilities:

- Develops and coordinates a clinical treatment program for individual, family and group therapy specific to clients who have been affected by the Monterey Park Shooting Incident. Involves client and/or family in treatment planning as appropriate.
- Facilitates and participates in RC therapeutic activities
- Assess the needs of individuals who present to the RC and assist them in connecting to resources – manage crisis situations using Trauma Informed Care principles
- Continually assesses the needs and symptoms of clients and families formulating psychosocial diagnosis, gathering history, and determining the most appropriate method(s) of providing treatment/evidence based practice.
- Display sensitivity to the cultural and linguistic needs of the clients and families served.
- Build and maintain relationships and links with the community of people impacted by traumatic events
- Maintain professional relationship with clients, staff, and community stakeholders at all times.
- Creates and maintains a clean, peaceful, and relaxing environment at the RC
- Maintain a client file to level of requirements mandated in agency policy and completes documentation in a timely manner.
- Collaborates with BHD Program and Prevention teams on joint community efforts

Qualifications:

- Master's or Doctorate Degree in Psychology, Social Work, or related field.
- Must be licensed-eligible, i.e., board-registered AMFT, ASW, MSW, OR Licensed professional: LMFT, LCSW, or Licensed Psychologist. Must maintain licensure as a condition of employment.
- Experience working with dual diagnosed/co-occurring patients with both a substance use disorder and a mental illness.
- Knowledge of principles and techniques of social, cultural, and intergenerational dynamics of Asian immigrants and refugees.
- Knowledge of community and individual resilience and how to support and develop programming to build resilience skills
- Understanding of the impact of traumatic events on individuals and community and of trauma-informed care
- Excellent interpersonal, communication and organizational skills.
- Able to be self-motivated, self-driven, and work independently
- Must possess a valid California driver's license and maintain an insurable driving record.
- Available to work flexible hours, including evenings and weekends as needed.
- Ability to pass health, fingerprint, and DMV clearance.
