Dear Friends,

On behalf of Chinatown Service Center (CSC), we are excited to announce a new capital campaign – CSC Health and PACE (Program of All-inclusive Care for the Elderly) Centers in Alhambra, CA. And we'd like to invite you to join us in our efforts!

This large-scale fundraiser has a lofty goal of \$9 million to renovate a 43,000-square-foot, two-story building and provide comprehensive services, including Family Practice, Podiatry, Optometry, Dental, Behavioral Health, Pharmacy, Pediatrics, and a Café. Specifically, CSC is establishing our first "PACE Center" with staff who are multi-lingual to serve seniors in the San Gabriel Valley and surrounding areas.

CSC has been committed to "thriving lives in empowered communities" since 1971 when we started from Los Angeles Chinatown. With your support, we've been able to make great strides in these areas, but we know that there is still much more work to be done. That's why we're launching this campaign to raise the funds we need to operate the programs, which will have a transformative impact on our ability to fulfill our mission.

This is a critical time in our organization's history, and we need your continuous support to make our vision a reality. We believe that with your help, we can reach more than 100,000 visits per year and make the community a better place. This project is aimed to be opened in 2024. We'll provide regular updates on our progress and milestones achieved.

We respectfully ask for your consideration and hope that you can join us in this important endeavor.

Please see the attached information from the Capital Campaign Committee and how you can designate your generous contribution. If you have any questions, please do not hesitate to contact Elyse Hwu at ehwu@cscla.org or (213) 808-1761. Thank you very much for your support!

Best Regard,

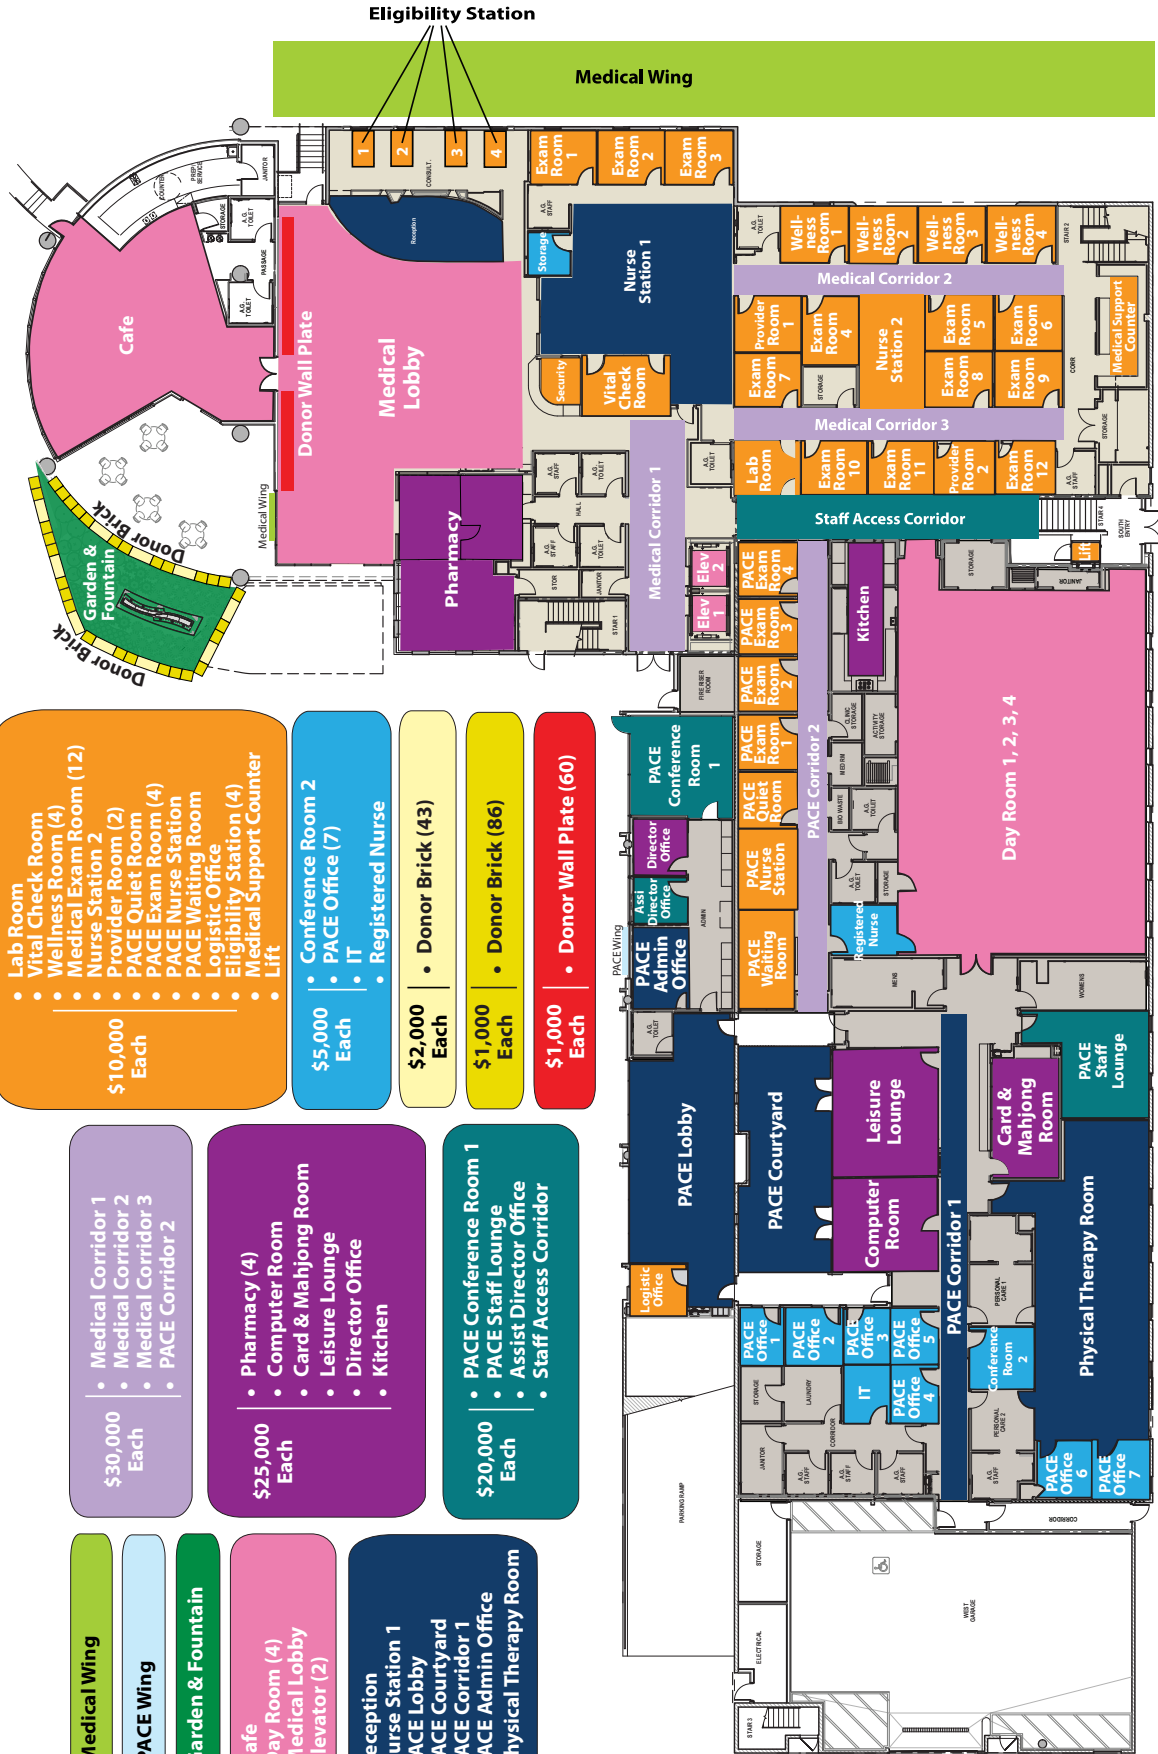

Peter Ng
President and Chief Executive Officer
